Skills

JavaScript	80%
Python	40%
HTML	40%
CSS	40%
Photoshop	40%

Objective

I am seeking an entry-level position to begin my career in a high-level professional environment. To enhance my skills in programming and to have a growth and become an excellent programmer. I have experience in JavaScript in creating calculators, simple log in pages, and static web pages. In my On the Job training from college I acquired skills like assembling a computer and troubleshooting.

Experience
